Office of the Superintendent,
Govt. Gardens in Mysore,
LAL-BAGH, BANGALORE, S. INDIA.

Dated 26th September 1935

Mr. M. K. Sitaram Chetty, L.Ag.,
Offg: Superintendent.

Dear Sir,

I am forwarding, herewith, a representation by Mr. Thomas Royar, Supervisor, Lal-Bagh Gardens and Nurseries, requesting for a higher salary and a better grade of pay than what he is now getting.

I fully endorse the statements in the representation regarding the nature of the work done by him, and I may say that he has been of considerable assistance to the Superintendent in Technical matters. I feel that his representation should be given favourable consideration. I therefore beg to recommend that he may be given a pay of Rs.85/- in the grade of Rs.85-10-125 plus Rs.15/- C.A.

The additional cost during the year can be met from the savings of the "Garden Assistant" in the current year's budget of the Department.

I therefore beg that Government may be moved to accord sanction to the above recommendation

Yours Sincerely,

M K Sitaram Chetty

To

K. V. Anantaraman, Esq., B.A.,
Chief Secretary to the Government of
His Highness the Maharaja of Mysore,
BANGALORE.

To

The Superintendent,
Government Gardens,
Lal-Bagh, BANGALORE CITY.

Sir,

I beg to submit the following representation for your kind and favourable consideration.

I have put in a service of 21 years in the Government Botanic Gardens, Lal-Bagh, and the Central Nursery, and as you are quite aware I have been faithfully and efficiently discharging all the duties of a highly technical and difficult nature to the entire satisfaction of all my superior officers. Besides, the work of the propagation of plants true to their names, and the introduction of plants of economic, ornamental and botanical interests has always been done by me efficiently. The identifying and labelling of collections of plants has also been one of my most onerous and responsible tasks. Now, for the past six months I have also been entrusted with the general management of the Lal-Bagh, including various works of a technical nature, requiring an advanced knowledge of Botany and Horticulture. Thus my work has increased both in quality and quantity, and my present pay is only Rs.77/- plus Rs.15/- C.A., in the grade Rs.55-5/3-87. I wish in this connection, to point out that some of my juniors in the Department are now drawing Rs.100/ per mensem and more.

As you are also aware, my technical knowledge and experience was made use of by Mr. K. S. Gopalaswami Iyengar Hony. Treasurer of the Mysore Horticultural Society in the preparation of his recent work entitled "Complete Gardening in India", and the author has suitably acknowledged my services in the Preface of the work.

You are also aware that I was for a long time stagnating on a fixed pay for the last 10 years without any

increment, and I have been hard-put to it to manage with my pay in maintaining my large family.

In these circumstances, I humbly beg to represent that I may be given a higher salary and a better grade of pay, as I have very few years of service before me.

For which act of kindness and sympathy, I shal be very grateful.

I beg to remain,

Sir,

Your most obedient servant,

M Muniswamy

~~Propagator~~ Supervisor, Government Botanical Gardens.
